Montana Antique is a rustic argillite quarried in Western Montana. The browns, reds and golden tones provide a vivid contrast to the dark grey cores.

- AVAILABLE SIZES -
  1” MINUS
  1-2”
  3”

- COVERAGE -
  Approx 1.35 tons = 1 yard

- STONE TYPE -
  Argillite

* All weights & coverages are approximate *

* It is important to note that you may receive a percentage of stones that are smaller and/or larger than the stated range. This is the beauty of natural stone and adds character to the Montana stone pattern.

* For cleaning the stone it is recommended to use white vinegar or Detergent 600 according to manufacturer’s instructions. Do not use acid.
